

Technology Associates is excited to announce our partnership with [ECM Solutions](#) marks our first official client as a part of our expansion into the Charlotte market.

ECM Solutions is the largest independent insurance agency in North and South Carolina servicing over 6,000 clients. They are based in Charlotte, NC and also have an office in Greenville, SC. It was founded in 1987 by Arnold Edwards, Bart Church, and Jim Muse. With over 70 employees, ECM Solutions features a personal lines department, property and casualty department, benefits department, and financial services department.

ECM Solutions is committed to helping clients find solutions to their insurance and risk management needs, both locally and nationally. ECM has clients both large and small. ECM Solutions services personal insurance needs, property and casualty insurance, employee benefit plans, and financial services.

If you would like to learn more about ECM Solutions, contact [Amanda Pensack](#) at (704)-909-2564 or via email at pensack@ecmins.com. You can also keep up with ECM via [Twitter](#) or [Facebook](#).

ECM chose Technology Associates for their technology needs because they understood the value that comes from partnering with a company who will find ways to leverage technology to help solve their real business problems.

We are thrilled to have them on board and look forward to the future of our partnership!
